

## 2017-2018 String Orchestra Auditions

Auditions must be received in Mr. Wagner's email ([bwagner@ojaiusd.org](mailto:bwagner@ojaiusd.org)) by Wednesday, May 24<sup>th</sup>.

Students are required to submit their audition recordings to Mr. Wagner via email: [bwagner@ojaiusd.org](mailto:bwagner@ojaiusd.org). Be sure to follow these directions to complete your audition.

1. Before you practice this music, look over the key signatures, bowings, articulations and dynamics (all will be graded)
2. Record each excerpt (scales and excerpts) separately with any reverb or manipulation. **Be sure to state your name and instrument on the recording before you play.**
3. Use a metronome that corresponds to the correct marking for each excerpt. Be sure it is audible on the recording.
4. Check over your recording before sending it to be sure it is exactly what you want to send.
5. If you are interested in playing in a chamber ensemble (small group), record part I and part II.

Remember, your ability to follow directions is very important. It shows that you take the audition process seriously and you took the time to carefully prepare and practice for your audition recordings.
